Parent Agreement Form

Student Name: _____ Parent Name: _____
(Print) (Print)

All students under 18 years of age are **required** to present a completed, signed Parent Agreement Form to the course instructor at the beginning of the hunter education class.

I hereby authorize the above-named student to enroll in the hunter education program as prescribed by the Washington Department of Fish and Wildlife. The course instructors, the sponsoring club and the department have my express permission to train my daughter/son in all specified subject and skill areas.

I understand that all students are evaluated consistent with guidelines established by the department, and that the course instructors shall make a final determination whether any student is qualified to receive a hunter education certificate.

I also understand that instructors encourage parental participation, and instructors may require parental participation for students under 12 years of age.

Finally, I agree to notify course instructors in advance if my daughter/son has any learning disability.
