

Parental Approval

State law requires a minimum of 12 hours of classroom and field experience to complete the Traditional Hunter Education Course. Due to the nature of the subject, course lengths for the Traditional Hunter Education course will vary and will normally average 14 hours in length.

_____ has my approval to enroll in your Hunter Education Course and take part in all activities, including a live fire exercise, required for you to issue him (or her) a Certificate of Completion. I am aware that the course lengths vary and agree to comply with the course length and structure as stated above.
